## A Message from the President

With the start of a new year, our club's committees have been formed and committee chairs have been selected. Names of the committee chairs can be found in this newsletter and on the information page on our website. One of the committees that requires a load of manpower is the sporting clays committee. Rich Nestle, our sporting clays committee chair, organizes the trapper schedule and makes sure that all of our Sunday dates are covered by

supervisors from the clays committee. He also puts in many hours on Sundays running the event. Responsibilities of the supervisors include setting the course in the morning, running the event, and taking the course down at the end of the day. The entire process takes about 7 hours (8:00 am setup - 3:00 shut down). Currently we have about 5 supervisors running the sporting clays course. We could use another 2 or 3 individuals to

help lighten the load. If you are interested in sporting clays and would like to join the committee and become a supervisor, please contact Rich Nestle at 989-506-2493. Supervisors shoot for free when working a Sunday.

## Kid's Ice Fishing Derby- February 27th

It has been many years since the last one, but the Isabella County Sportsman's Club will once again be hosting a kid's ice fishing derby. The ice is thick on the pond and the fish are alive and well. The fish finder found fish down every hole that it was dropped into last week.

This event is designed for kids in kindergarten through 8<sup>th</sup> grade. The fun will happen on the club's pond on Saturday, February 27, 2016. We will begin at 9:00 a.m. and end at noon.

Along with ice fishing, we will have a bon fire, pictures,

hot chocolate and snacks, and prizes.

To help the day run smoothly, we are in need of volunteers to help with both indoor and outdoor activities. If you are willing and able to volunteer for this event, please call, text, or email Amy McGillvary. You can call or text her at (989)773-9651 or email at: [amymcgillvary@gmail.com](mailto:amymcgillvary@gmail.com)

If you are bringing kids to fish, please bring your own fishing equipment. We may have some available for use that day, but we

cannot guarantee the availability of equipment.

**All kids must be pre-registered by Thursday, February 25, 2016.**

You must pre-register with Amy McGillvary. Her contact information can be found in an earlier part of this article.

**Please note:** Because of the fishing derby, the trap range will not be open on Saturday, February 27<sup>th</sup>. League shooters will make up this shoot at a later date.

## Concealed Carry Class Offered

Frank Dodd, an ICSC member and a certified CPL instructor, has once again, graciously, offered to teach a class for ICSC members at a greatly reduced cost. The usual cost for this training is \$130 but it will be offered at the special rate of \$65.00 for current members in good standing. That fee will include the text book for the class, eye and ear protection for use while working on the range, lunch, and a pistol to use while doing the hands-on part of the class.

Those people participating in the class will need to supply at least 100 rounds of their own ammunition. The class will be held from 8 am-4 pm on Saturday, February 20, 2016 and will include 5 hours of classroom time and 3 hours of range time. Class size is limited to 20 people.

If you are interested in taking this class, you will need to contact Frank Dodd directly. He can be reached by email at [centralmichigandefensetraining@yahoo.com](mailto:centralmichigandefensetraining@yahoo.com) or by telephone at (989) 506-2346

## Project Appleseed – March 19 and 20

The ICSC will be hosting an event called Project Appleseed. Project Appleseed is an apolitical rifle marksmanship training program that focuses on teaching traditional rifle marksmanship from standing, sitting/kneeling, and prone positions over a two day weekend shooting clinic that is termed "An Appleseed". It is one of the major activities of The Revolutionary War Veterans Association, a non-profit organization that teaches and promotes traditional rifle marksmanship, while also teaching American heritage and history with the intent of encouraging people to become active civically.

For more information about this program or to register for this program, please see their website: [www.appleseedinfo.org](http://www.appleseedinfo.org).
